Backroad Sunset 2 by Lisa Dills

Artist's Statement: The day after receiving a camera for my birthday in 2009 I decided to begin a photo a day for a year blog. Calling it, One Day at a Time in Photos, I intentionally and without fail, went out and took photos, coming home each day to carefully review and choose one which I would post for the day. I learned a lot during that first year. Things such as; never leave immediately when the sun sets, when watching a sunset...turn around and look at how it's lighting the sky behind you, notice and obey "No Trespassing" signs (for the most part), and most importantly, NEVER ever leave the house without your camera. As I completed my final blog post #365 I found myself realizing that this wasn't the end but only the beginning of something that had become a part of me.
