Lincoln Theatre Foundation Mission:

The mission of the Lincoln Theatre is to entertain, inform and inspire our diverse community through cinema, live performance and educational programs while preserving the Historic Lincoln Theatre.

In the Art Bar Gallery Bill Ball

Artist Statement: It all started in 2013. With no formal training in art, I only discovered that I was an artist when I found myself at Burning Man, a week long art and music event in the Nevada desert. Artists were constructing and painting walls and sharing spaces. I was given a wall. I was tentative at first but threw myself into painting. "Psychedelic Cross" was the result, a large, vibrant, multicolored work... but a temporary one. I slept for a few hours and awoke to find it had been painted over. With this loss I began to revisit the recent loss of my entire family. Could I heal myself with my creativity? I picked up a one-inch brush and for hours threw paint with pain and anger, using color to process it and heal. I finished painting, stepped back and turned to see what I had created. I smiled, laughed, and cried all at once realizing I had unlocked a hidden artist. I came home and converted my living room into my new art studio. I have been invited back to paint murals at Burning Man's Center Camp in 2014, 2015, and 2016. I have been showing art locally, live painting and mural painting at festivals for the last 2 & 1/2 years.
