**Get married at the
Lincoln Theatre!**

The Lincoln Theatre is a spectacular site for the wedding of your dreams. The Lincoln rolls out the red carpet with a staff that bends over backwards to make your special day dramatic and loads of fun. The historic gem of a theatre has character, lots of room, a great location, and that “certain something” that will make your wedding stand out and create terrific memories.

Pricing varies by day of the week and time of day. Some typical options for weddings might be:

Saturday afternoon (over before 4) wedding
\$460 plus staff time (generally \$100 for the house manager and \$50 for the technical manager)

Friday or Saturday evening (after 4)
\$550 plus staff time (see above)

Above charges are for events of 6 hours or less (including prep time.) Additional charges for additional hours. Rehearsal the day before is dependent on the theatre's availability. The Lincoln will include the rehearsal time as part of your one-day rental fee if the total number of hours does not exceed the 6 hours included in the rental. Additional hours are billed at \$60 each (or \$70 for Friday, Saturday or Sunday evenings.)

The Lincoln can supply sound and lighting technicians for bands or special effects (\$28 and \$20 an hour respectively.) Standard sound and lighting equipment is included in the rental fee. Special equipment is subject to availability and cost. The Lincoln crew can build out the stage and/or take out rows of seats ((\$28 an hour lead, \$20 an hour crew—you can provide volunteers) Film? PowerPoint? We can do it - special fees will be required if special staffing is needed.

Rental fees for the Lincoln vary by day and time, the seating capacity can be as much as 490, and the staging options are varied as can be. Get married onstage, have a band onstage, make the stage bigger, pull out some seats and put tables in the front of the seating area for your reception, hold your reception here, hold it elsewhere, let your imagination flow!

The Lincoln has no kitchen facilities, so your caterer needs to be responsible for all aspects of the food for the event. You will need to get your own banquet permit if you are serving alcohol (\$10—available from the WSLCB)
