

A LIVING HISTORY

The Lincoln Theatre sprang to life more than nine decades ago as a sparkling centerpiece of silent movie and vaudeville entertainment. There was a time, in the early 1980s, when the Lincoln Theatre fell into disrepair and eventually closed.

However, thanks to a multi-year restoration program strongly supported by our local community, this architectural beauty is now as vital a part of our culture as it was when it opened in 1926.

Today the theatre is home to a year round schedule of vibrant performing and cinematic arts that uplift our lives, expose us to new ideas and encourage our youth to follow their highest dreams.

The theatre's lively calendar of events includes independent and foreign movies, locally-produced plays, community cultural programs, school shows, programs to promote local talent and national and international touring concerts.

These events and films, available to the public almost every day of the week, are designed to appeal to a wide variety of interest, ages and ethnicities.
