

VIRTUAL CONCERT SERIES | SPONSORSHIP AGREEMENT

The Lincoln Theatre Virtual Concert Series will promote and stream local and regional artists live on the Lincoln stage. These virtual concerts will stream FREE to the public by donation only. Your sponsorship of one of these great performances allows us to negate the cost of staffing and equipment for the event so that all donations from the live event can be split between the historic Lincoln Theatre and our wonderful performers. Thank you for helping us keep arts and entertainment alive in Skagit County during this difficult time.

We appreciate your continued support of the historic Lincoln Theatre!
